

**Press Officer Planned Parenthood Federation of America (NYC)**

The Press Officer's primary focus will be to implement media relations strategies to inform and influence key audiences on reproductive health and policy issues and promote Planned Parenthood Federation of America (PPFA). S/he will also be responsible for producing material for media, respond to media requests, and proactively reach out to media outlets. As part of a team of five Press Officers, handle day-to-day media relations on a wide range of Planned Parenthood issues. This Press Officer will be called on regularly to work on all of PPFA's media efforts but will be expected to input heavily on outreach to Latino media and other constituency-based media.
